Welcome to the 94th Glanton Show

Chairman's welcome 2017

We have a wonderful show in prospect for 2017, with something to please everyone and all generations.

As well as the industrial tent with as always a breathtaking display of garden produce, craftworks of all types and home baking we will have good mix of trade stands, country crafts, animal husbandry and displays (including owls and Kirkley Hall Zoo) as a backdrop to the dog show, children's sports, bouncy castle and other activities, classic car display and hopefully a fire engine - as long as it is not needed for an emergency.

The hill race, the Alnwick Playhouse Band and the terrier racing (a loose description of canine mayhem) all complement the main event in the display ring which this year will be sheepdogs herding geese and ducks which is always very amusing.

Geoff Allen catering along with sweetie and ice cream stalls will keep body and soul together for the hungry or just tempted.

Entry fees are the same as the last few years and represent excellent value for such a varied and entertaining show so we very much look forward to seeing you there.

Jon Radgick

If you would like to have a stand at the show please contact Liz Knox (see pg 26)

The picture for the children's colouring, Class 76, can be downloaded from the Glanton website www.glanton.org.uk
The whole schedule can viewed on the website, and further copies of the entry form can be downloaded.

TOP TIPS - VEGETABLES

They need to be clean, and to be fresh and tender. They should be unblemished, and have a good colour. Size isn't the most important thing - quality comes first. Groups need to be uniform in size, shape and colour.

Peas and beans are better if presented on a background like a doily. Leave the bloom on the peas, and choose ones that are full and deep green. With beans look for straight, tender pods with no outward sign of the seeds.

With onions go for firm, mature bulbs with thin necks.

The best tomatoes are firm, ripe and richly coloured. Choose round medium-sized fruits with their calyces attached.

Cabbages should be nice and fresh with a good shape and a solid heart. Trim them to one outside leaf.

Collections of vegetables look better against a black background.

TOP TIPS - FLOWERS

Aim for flowers that are fresh and in peak condition, with no damage or blemishes. Groups need to be as uniform as possible in size, shape and colour.

And don't forget, arrangement is always important in flower displays.

With roses you want strong stems that are in proportion to the blooms, and flower heads that are not touching.

Pansies, buttonholes and sprays look much better if presented on a display board.

TOP TIPS - COOKERY SECTION

Read the schedule carefully. If a number of items or size is specified then stick to it.

Bread should be made 24 hours before judging.

Don't use commercial tin liners - show more skill by lining your own tins.

There should not be any cooling tray marks on the top of the cakes.

Savoury scones should be cut out using a plain cutter and can be glazed with egg or milk. A fluted cutter is used for sweet scones. These are not glazed.

A biscuit is normally rolled and cut out.

A cake or round of shortbread should be about 12mm (1/2 inch) thick.

Pieces of tray bake should be of an even size and shape with all four sides being cut sides.

Pastry should be of an even thickness, evenly baked and if it is a tart or flan then the underneath should not be underdone.

Jars and lids used for preserves should be plain, with no trademarks or names on them, as these contravene the Trade Description Act.

If cellophane covers are used they also need a well fitting wax disc on top of the preserve.

If twist tops are used these they should be new and do not need a wax disc. Lemon curd does not have a metal top.

Chutneys should have vinegar proof lids.

HANDWRITING TEXT

Age 6-7 years

The Lion and the Unicorn

The lion and the unicorn
Were fighting for the crown
The lion beat the unicorn
All around the town.

Some gave them white bread,
And some gave them brown;
Some gave them plum cake
And drummed them out of town.

Age 8-9 years

The Tiger by William Blake

Tiger! Tiger! Burning bright
In the forests of the night
What immortal hand or eye
Could frame thy fearful symmetry?

In what distant deeps or skies
Burnt the fire of thine eyes?
On what wings dare he aspire?
What the hand dare seize the fire?

When the stars threw down their spears,
And watered heaven with their tears,
Did He smile His work to see?
Did He who made the lamb make thee?
